New Hampshire Association of Conservation Commissions

Happy Thanksgiving

Prepping for a Very Soft Nest, Amy Severino

Thank you!

To all of our members, sponsors, and volunteers who work so hard to protect what is important to New Hampshire. This year was filled with opportunities that commissions met head-on. I appreciate all the work you do and your time and

energy serving on your commissions. NH would not have the level of clean water, fresh air, and scenic trails without municipal conservation commission members who are continually working to protect NH natural resources and the places they love. Together we can accomplish much more, effect change on the local and state level, and build strength in solidarity. It is my pleasure to encourage, assist, and facilitate the work you do.

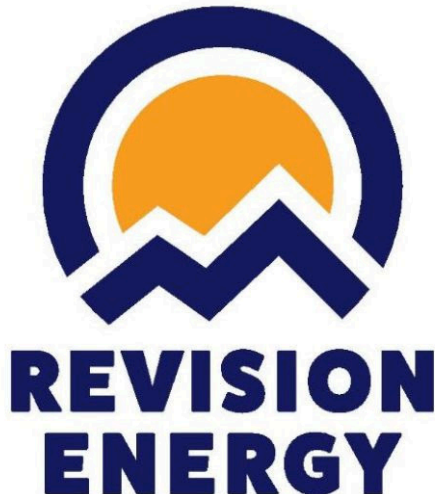

Happy Thanksgiving, Barbara
